Norma Talmadge in "The Way of a Woman," from the drama 'Nancy Lee' by Eugene Walter, also two reel of the "Northwest Woods."

MA TALMADGE, FOURTH SISTER.

Mrs. Fred Talmadge better known as "Ma" Talmadge, is an anomaly of human nature, for two reasons: firstly, she is a New Yorker who was actually born in New York City; secondly, she is one "stage mamma" who destroys all the traditions of her class. For she isn't the "old tartar" type, nor is she the "perpetual chaperone" always hovering in the background—she is a live, popular personality on her own merits, in addition to being the proud mother of Norma, Constance and Natalie Talmadge. Norma Talmadge's latest Select Picture, "The Way of a Woman," adapted from Eugene Walter's famous stage, "Nancy Lee."

WOOD FORCES SPENT OVER A MILLION IN HIS CAMPAIGN.

Washington, June 4.—Horace Stebbins, eastern treasurer of the Wood presidential campaign, received 130,000 cash contribution from William Loeb, Jr., formerly secretary to the late Colonel Roosevelt. Stebbins testified today before the Senate committee investigating the pre-convention campaign expenditures. This amount of $130,000 was included in the $225,000 Loeb accounted for to the Wood general campaign committee in Chicago previously testified to by Albert Sprague, wealthy Chicago wholesale grocer and Wood National treasurer, Stebbens stated.

A total of $1,252,919 has been spent thus far in financing Wood's presidential boom, Stebbens testified.

JOHNSON TO LEAD EIGHT AGAINST LEAGUE OF NAIONS.

Chicago, June 4.—With battle slogan "no compromise," Senator Johnson will lead the entire senate group of "irreconcilibles" on the floor of the Republican convention in spectacular fight against the Wilson League of Nations, it was disclosed here today. The fight is expected to be the greatest platform combat in the history of the party and may result in splitting it if the battle goes to such a point it becomes necessary for Johnson to appear personally on the floor of the convention to launch final drive with objective of ripping the league to smithereens.

Chicago, June 4.—"Herbert Hoover will be the nominee," says young Robert Taft, who is working hotly at the Hoover headquarters just as if his own daddy, W. H. Taft, were not being quietly tipped as a possible dark horse.

The Chicago cops are worried over the news from Washington that the dreadful suffragettes who got arrested during the war will descend on Chicago to harass the enemies of the suffrage amendment.

LABOR DELEGATES DISCUSSED CANDIDATES FOR PRESIDENT.

Montreal, June 4.—This city has taken on some Chicago's political atmosphere with the arrival of delegates for the fortieth annual convention of the American Federation of Labor. The question who will be the next president of the United States is one of the chief topics of convention. According to labor leaders on the ground Johnson and McAdoo are the two favorities of labor. Palmer seems to head labor's "in bad" list with Wood apparently a close to Palmer. Hoover is also in popular because of his endorsement of "open shop". Senator Harding came in disfavor because of his advocacy of the anti-strike legislation. Governor Lowden seems to haul a following among the Illinois coal miners.

CLOSING EXERCISES OF ST. MARY'S SCHOOL NEAR CLYDE.

A large crowd gathered at the St. Mary's school house near Clyde about 10 o'clock a. m. on May 26, with well filled baskets. The rooms were beautifully decorated with red and white, the class colors of the graduates.

An excellent program was prepared and rendered by the teachers and pupils which was greatly praised by all present.

The forenoon was spent in demonstrating vitalized agriculture by the boys and girls before a good crowd of patrons and friends.

The following was the program:

Nail boxes, milk stools, pig troughs, chicken hooks, live stock chart, food charts and chart stand were made by the children were exhibited and explained, together with drawings, plans, computations of amount and cost of materials. How to set the table and explanations of foods and table manners and balanced rations.

How to get the number of tons of hay in a stack was demonstrated by pupil giving the actual measurements of a stack they had measured and then computed the number of tons by a very short and simple process. The same was done with a corn crib and the number o fbushels of ear corn found. These were actual measurements of real cribs taken by the children. Live stock survey of a farmer together with an explanation "How Made."

Our visit to an orchard.

Trip to a silo.

The boys then took a very simple home made rope machine and with some binding twine made a rope fifteen feet long. They computed the cost of the rope and compared it with the same rope purchased at the store.

The work on vitalized agriculture created much interest and value to the farmers in attendance.

In the afternoon a good program appropriate for the close of school was rendered by the pupils in honor of the six granates who completed the eighth grade.

About twelve o'clock a fine dinner was served on the school grounds.—Contributed.

ANDERSON FUNERAL SERVICES TOMORROW

Will be Held at St. Patrick's Church at 8:30 o'Clock—Body to Arrive Here This Evening.

The body of Mrs. Frank Anderson, who died yesterday at her home in Kansas City, will arrive in Maryville this evening, accompanied by her son, Jesse Anderson, and her niece, Miss Nora Brown. Funeral services will be held at 8:30 o'clock tomorrow morning at St. Patrick's church. Burial will take place beside the remains of her husband.

Mrs. Anderson moved away from Maryville about ten years ago. The following tribute to Mrs. Anderson was written by the late Miss Marcia Messenger, about seven years ago:

"A woman whose name has been for thirty-two years connected in some way with efforts for public good in Maryville and Nodaway county, is that of Mrs. D. F. Anderson. Her husband was a furniture dealer and undertaker in Maryville for twenty-nine years, and both he and his wife were noted for charitable deeds and interest in the public welfare, and Mr. Anderson was also active in politics, but never aspired to public office. Mr. Anderson's business as an undertaker brought Mrs. Anderson in touch with cases of distress and need ,and as she was a woman of large sympathy, the result of a deeply religious nature, she never allowed a case of need to go uncared for. She was especially kind to children, mothers and young girls, and all who know of the work she has done are ready to aver that the crown awaiting her in the Glory-land is already filled with stars. She is a member of the Catholic church. She could not find enough to keep her busy there in all she wished to do, and in the 90's she secured the organization City Board of Charities and later the County Board of Charities, and had a large part in securing the erection of the new buildings at the county farm in 1907. For twenty-five years before that she had busied herself among the poor and needy. She is a member of the Missouri County Visiting Board that was appointed to visit alms houses, jails, poor farms, etc."

A WASHING MACHINE THAT RUNS ITSELF—

That's really what the Maytag Multi-Motor Washer is—the only power washer that has its gasoline motor self contained—down under the machine entirely out of the way where nothing can catch in it or get into the oil or grease.

The Multi-Motor Washer is JUST LIKE THE MAYTAG ELECTRIC, except that it runs with gasoline.

Simply give the starting wheel a push with the foot and away it goes—washing and wringing the clothes perfectly under absolute control with the least possible hard work.

SEE THE MAYTAG AT OUR STORE OR CALL US UP AND WE WILL BRING ONE OUT TO YOUR HOME.

Cream Separators

One of the best paying investments right now is a good cream separator. Many farmers are making good money out of a few cows by using a separator, and now that it is hard to feed large herds of stock at a profit is a mighty good time to have something that brings in cash.

The Anker-Holth and De Laval Separators

are both well known, dependable machines. We are exclusive sales agents for these separators and also carry repair parts, constituting complete separator service.

The Caloric Furnace

We are installing Calorics now in both new and old houses and are in position to save you money if you put in your furnace before cold weather.

How About YourCatarrh? Do You Want Real Relief?

Then Throw Away Your Sprays and Other Makeshift Treatment.

Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. Remove the cause of the clogged-up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they will promptly re-appear until their cause is removed.

S. S. S. is an antidote to the millions of tiny Catarrh germs with which your blood is infested. A thorough course of this remedy will cleanse and purify your blood, and remove the disease germs which cause Catarrh.

Remember

That we are much lower in our prices than any other store in Maryville on LADIES' SUITS AND DRESSES, and other lines of READY-TO-WEAR GARMENTS.

Every suit and silk dress in our stock is being sold at JUST HALF THE FORMER PRICE.

The selection is fairly good at this writing and this big saving on prices should interest buyers in this line.

This very low price placed on above garments is not that we can afford to sell them, but because of the unfavorable weather conditions, which cut down the usual demand for those articles. We feel it a good business policy to close out all spring ready-to-wear garments, even at a loss at the time.

GOOD BARGAINS IN LADIES' SILK AND WOOL SKIRTS that will be to your advantage to take advantage of.

OUR GINGHAM BARGAINS as advertised last week are a saving of from 10c to 15c per yard over goods of the same value being offered in the regular stocks. Many customers have shared in the price saving sale of Ginghams, and while the present stock lasts, the PRICE WILL BE THE SAME.

BUY CORSETS, UNDERWEAR, HOSIERY AND GLOVES of the reliable kind at our store.

Read over the advertisement of last week on APRONS AND HOUSE DRESSES, and save some pin money.
